METRO GENERAL HOSPITAL - INPATIENT DISCHARGE SUMMARY

Patient: Eleanor Vance | MRN: SYN-88201 | DOB: 1968-04-12 | Encounter Date: 12 March 2026

CHIEF COMPLAINT

Admitted for acute exacerbation of chronic bronchitis. Treated with azithromycin.

ALLERGIES

Penicillin allergy (severe urticaria and facial swelling reported).

ACTIVE MEDICATIONS

Azithromycin 250 mg daily for 5 days

Albuterol inhaler 90 mcg PRN as needed

Atorvastatin 20 mg at bedtime

ASSESSMENT & PLAN

Bronchitis resolving. Strictly avoid beta-lactam antibiotics due to documented penicillin allergy.

Dr. Raymond Vance, MD - Attending Hospitalist | Metro General Health
